Projects and Activities in 2026

- RAG Workshop
- Prototype: Natural-language search for film scenes
- Workshops in Fall Semester 2026

RAG Workshop

- The planned workshop with Kai Jauslin and Germano Giuliani has been cancelled.
- **Question to the community:**
 - Is there interest in a future workshop on RAG technology?
 - Which topics would be most relevant?

Prototype Completed

Natural-language search for films and individual scenes

- Vector-store-based retrieval system
- Search across films and scene descriptions using natural language
- Repository:
